About Me

I'm currently completing a degree in Graphic and Multimedia Design in Madrid, after three years of study in Barcelona.

My work focuses on visual communication, from brand identity and editorial design to digital projects, with a particular interest in typography, color and the intersection of digital and hands-on processes. My experience includes studio work, client projects and visual communication for organizations.

Education

Bachillerato Artístico	Colegio Estudio	2019-2021
